### Program Description

Catalyst Clemente Newcastle is a university program comprising four humanities subjects which lead to the award of a **Certificate in Liberal Arts**. The next unit, taught by Jean Talbot, will introduce students to the power of the written word. It will provide them with the tools to understand literature both through the writings of established authors and students own creative work.

The Catalyst Program involves commitment to a weekly lecture and Learning Partner session which provides one on one learning support. Computer resources are also available.

### Program Structure

This unit runs over 13 weeks from Wednesday 10<sup>th</sup> March 2010, excluding April 7<sup>th</sup>. The weekly lecture is generally scheduled for Wednesday mornings from 10am to 12 noon, but occasionally will be held in the afternoon. Learning Partner sessions will be Thursday afternoons for 2 hours between 1.00pm and 5.30pm.

**Venue:** The program is hosted by CatholicCare at 882 Hunter Street, Newcastle West.
