

## Opening of New Library and Renovations at St Joseph's Primary School, Gloucester, 27<sup>th</sup> May, 2011.

Srs Marie Hughes, Genevieve Henderson, Pauline Burgess and Margaret Anne Geatches travelled to Gloucester this morning to witness the grand opening of the new facilities built as part of the Government's Building the Education Revolution [BER] scheme. It was a trip down Memory lane for them as well and stories of

'the old days' were recounted with relish.

The facilities include a light and roomy library with all the modern learning tools and ample space for a variety of learning activities. The renovations of other areas of the school made space available for administration. Bishop Michael blessed the new additions to a beautiful school.

A generous and tasty lunch in the hall gave ample opportunity to meet and greet friends from other days. Kate Brazier

particularly enjoyed meeting up with parish identities with whom she'd worked in her Pastoral Role. Carmel Moore, representing the CSO Education Board took the opportunity to share the trip with Clare Burgess and Marie Craddock. All enjoyed the day.

A highlight for the Sisters was a visit to the 'old' convent –now the presbytery of Fr Paul Mulconry who graciously showed them through.
