

Book Launch: *People of the Valley*

Last Thursday, 5th October, Ellen was featuring in a second launch: that of a book by Catchfire Press at the Newcastle Art Gallery.

Last October, Ellen had been invited to write a piece about someone whose life had contributed significantly to the Hunter Valley and she wrote about the time that Julian Tenison Woods had spent here as a missionary.

This book is a collection of interesting stories of the people of the Valley and Julian's contribution is well worth the commemoration in this 120th anniversary year of his death. The launch was a happy evening for all the family and friends of the 70+ authors who gathered to celebrate the launch.
